STATE DEPARTMENT NOT SO CERTAIN NOW.

WASHINGTON, July 28.-The State Department issued the following bulletin to-day:

"The State Department has received a despatch from Mr. Goodnow, the Consul-General at Shanghai, dated to-day, saying that Prince Tuan wires that an officer of the Tsung-li-Yamen saw all the Ministers on the 18th; that none was injured and that no attack was at that time being made.

"He does not say to whom the despatch of Prince Tuan was addressed, and it is to a certain extent at variance with the despatch of Mr. Conger of that date, describing the legation as being under fire at

"Since the commencement of the attack on Tientsin, there are foreign subjects and missionaries who have, on account of local disturbances, suffered death or loss of properly through no fault of their own. We hereby command the Governor of Peking and the Viceroy of Chihli to cause investigations to be made by their respective subordinates of all such claims except those arising directly from the said attack, with a view to their ultimate settlemen.

of all such claims except those arising directly from the said attack with a view to their uitimate settlement.

"Moreover local outlaws and rebellious subjects have of late given themselves up to burning killing and plundesing, to the great disquiet of our loyal subjects. This is n utter defiance of law. We hereby command the said Governors. General, Governors and Commanders of our forces to investigate the situation and to take such measures for the punishment of the offenders and restoration of order as the necessaries of the case demand.

"We hereby command this, our general edict, to be raade known for the infor-mation of all it may concern. Respect this."

CONGER MESSAGE FALSE?

Officials in China Refuse to Credit the Despatch. WASHINGTON, July 23.-The

State Department has received a Foreign Envoys in Prince Ching's number of despatches from foreign governments relative to the Conger despatch and also from our officials in China, including Consul-General Without exception they discredit

the accuracy of the despatch and advance various theories to show its lack of genuineness. The entire burden of the answers indicates a disposition not to move the relief expedition on the evidence furnished by the Conger despatch.

The text of the several messages is not made public, as they do not add anything in the way of definite news to the situation at Peking, the ent re
